

Alexander Financial Planning, Inc.

Is Proud to Present

Thursday, September 26, 2019 | 7-9 pm

INVESTING IN THE CURRENT ECONOMIC ENVIRONMENT

The Open Door Art Studio & Gallery

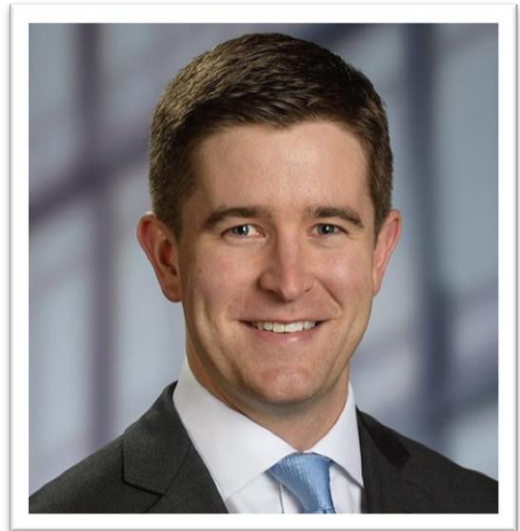

1050 Goodale Boulevard, Grandview Heights, Ohio 43212

Parking is available behind the Open Door, or limited street parking in front and side.

Join us for a program delving into the current economic environment and how this backdrop impacts investment conditions. Presenter, Matt Lord provides insight into navigating risk in today's economy.

Matt represents JPMorgan's research and resources in the Midwest and partners closely with Institutional Investment Advisors. He has been with JPMorgan for 9 years in various roles between Columbus and Chicago. He is a Certified Investment Management Analyst (CIMA) and a member of the Investments and Wealth Institute.

Matt grew up in Pickerington, Ohio and currently resides in Worthington with his wife.

Matt Lord, CIMA
Vice President, Client Advisor – Institutional
Advisor Group
JPMorgan Asset Management

The program will be followed by a tour and tasting at the **High Bank Distillery** located at 1051 Goodale Boulevard (across the street). The tour is limited to 25 participants so please confirm interest with your early RSVP. Tour cost covered by AFPI.
